**STIPULATED MOTION TO
CONTINUE HEARING**

Docket No. 2010-027

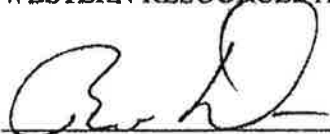

Cause No. M/047/0090 A

Petitioner, Living Rivers; Respondent, Division of Oil, Gas and Mining; and
Respondent/Intervenor, Earth Energy Resources, Inc., by and through their respective counsel of
record, hereby stipulate and jointly move the Utah Board of Oil, Gas and Mining to enter an
order continuing this matter from the Board's March 23, 2011 regular hearing to the Board's
hearing scheduled for May 25, 2011.

The continuance is necessary because the time available for a hearing in March would require the parties to transport out-of-town witnesses for at least two more hearing dates and due to Living Rivers' March 16, 2011 Request for Agency Action/Petition to Intervene before the Executive Director of the Utah Department of Environmental Quality.

DATED this 21 day of March, 2011.
